16. That, until deposit insurance becomes effective, the FDIC retains the right to alter, suspend, or withdraw its commitment should any interim development be deemed by the FDIC to warrant such action.
17. That, if Federal deposit insurance has not become effective within one year from the date of this ORDER, or unless, in the meantime, a written request for an extension of time by the Bank has been approved by the FDIC, the consent granted shall expire at the end of this time period on said date.

Application for Federal Deposit Insurance

STATEMENT

Pursuant to the provisions of Section 5 of the Federal Deposit Insurance Act ("FDI Act") (12 U.S.C. § 1815), the Federal Deposit Insurance Corporation ("FDIC") received an Interagency Charter and Federal Deposit Insurance Application on behalf of Infinity Bank, a proposed new community bank that will be located in Santa Ana, California ("Bank"). The application is intended to establish a newly-chartered state nonmember commercial bank. The organizers concurrently applied to the California Department of Business Oversight ("CDBO") for a state bank charter, and received conditional approval on January 24, 2017, from the CDBO to form a de novo commercial bank to be known as Infinity Bank.

Notice of the Federal deposit insurance application, in a form approved by the FDIC, was initially published pursuant to the FDI Act on July 8, 2016, under the name SoCal Bank. The Bank's name was subsequently changed to Infinity Bank, and notice under that name was published, in a form approved by the FDIC, on January 18, 2017.

The organizers have not established a bank holding company. The opening capital of the Bank will be realized from a private offering of 3,000,000 shares of common stock at a price of \$10.00 per share.

The Bank's Business Plan is for a community bank that provides banking services in the greater Orange County, California Market area. The majority of deposits and loans are expected to originate from within a 20-mile radius around the proposed headquarters location, located at 6 Hutton Centre Drive, Suite 100, Santa Ana, Orange County, California 92707.

The Bank will operate in the local market offering traditional products and services, serving the needs of small- and medium-sized businesses, business owners and professionals, and real estate owners and investors. The Bank will be managed by an experienced management team, including a diversified and knowledgeable Board of Directors who is committed to serving the local community.

The Bank will operate with sufficient capital and managerial resources to accomplish the strategies and goals in the Business Plan. The Bank will be capitalized with an amount sufficient to achieve and maintain a Tier 1 capital to assets leverage ratio, as defined in the capital regulations of the FDIC, of not less than eight percent (8.00%) throughout the Bank's first three years of operation. Moderate growth is projected, and future earnings prospects appear attainable. The Bank's plans appear to satisfy the convenience and needs of the community. Corporate powers to be exercised are consistent with the purposes of the FDI Act, and no undue risk to the Deposit Insurance Fund is evident.

Accordingly, based upon a careful evaluation of all available facts and information, and in consideration of the factors of Section 6 of the FDI Act, the San Francisco Regional Director, pursuant to delegated authority, has concluded that approval of the application is warranted, subject to certain prudential conditions.
