Application for Federal Deposit Insurance

STATEMENT

Pursuant to the provisions of Section 5 of the Federal Deposit Insurance Act (“FDI Act”) (12 U.S.C. § 1815), the Federal Deposit Insurance Corporation (“FDIC”) received an Interagency Charter and Federal Deposit Insurance Application on behalf of Nova Bank, a proposed new state nonmember bank that will be located in Huntsville, Madison County, Alabama (“Bank”). The organizers concurrently applied to the Alabama State Banking Department (“State”) for a state bank charter and received the State’s conditional approval on March 3, 2023.

Notice of the Federal deposit insurance application, in a form approved by the FDIC, was published pursuant to the FDI Act on September 14, 2022.

The organizers have not established a bank holding company. The opening capital of the Bank will be realized from a public offering of 2,170,000 shares of common stock at a price of \$10.00 per share. The Bank’s business plan is to operate a state nonmember bank that serves small- and medium-sized businesses and individuals located in Madison County and portions of Limestone County, Alabama. The Bank will offer traditional products and services and will be overseen by an experienced management team, including a diversified and knowledgeable Board of Directors who is committed to serving the Bank’s local community.

The Bank will operate with sufficient capital and managerial resources to accomplish the strategies and goals in the business plan. The Bank will be capitalized with an amount sufficient to achieve and maintain a Tier 1 capital to assets leverage ratio, as defined in the capital regulations of the FDIC, of not less than eight percent (8.00%) throughout the Bank’s first three years of operation. Projected growth and earnings appear attainable. The Bank’s plans appear to satisfy the convenience and needs of the community. Corporate powers to be exercised are consistent with the purposes of the FDI Act, and no undue risk to the Deposit Insurance Fund is evident.

Accordingly, based upon a careful evaluation of all available facts and information, and in consideration of the factors of Section 6 of the FDI Act (12 U.S.C. § 1816), the Atlanta Regional Director, pursuant to delegated authority, has concluded that approval of the application is warranted, subject to certain prudential conditions.
